

2018 Lakeshore Power League Parent Guide

Below are some helpful tips, guidelines, and rules for the upcoming 2018 Lakeshore Power League. We look forward to hosting your team and hope you have a great time!

- The full playing schedule will be posted on AES and kept up-to-date throughout each weekend. The schedule will be posted no later than the Monday before each playdate. Last-minute schedule changes are always possible, and in the event of changes, your club director will be notified. Download the AES Express app for your smartphone or tablet to easily navigate your athlete's schedule through the event.
- Admission to all playing facilities is \$5 per person. Children 10 and under are free.
- MSA playing sites have free parking available. If using the parking ramps at GRCC, there is a fee to get out of the ramp. However, parking on Grand Rapids streets on the weekends is free. All sites have bleacher seating. Outside chairs are allowed, but please understand that space in spectator areas will be limited. The facility staff at each location reserves the right to make individual decisions about outside chairs.
- There are full concession stands at each facility. There will be an area in each facility with several tables available for athletes to eat – **no team food tables allowed**. Athletes are permitted to bring food/snacks in a small, personal cooler. No crockpots or large, plastic coolers. Please respect the food areas by keeping your space clean, taking care of all trash, and alerting facility staff to any clean-up issues.
